SHIPPING, INTERNATIONAL TRADE & LOGISTICS

We have one of the most experienced Shipping, International Trade & Logistics practices among law firms in Malaysia. We are regarded and have been consistently ranked by Chambers and Partners and Legal500 as one of the top maritime law firms in the Asia Pacific region.

We provide a full range of services encompassing registration, transactional (including mortgages, sale and purchase of vessels), advisory and disputes work. The latter includes matters relating to:

- The arrest and release of vessels
- Collisions and the constitution of limitation funds
- Personal injury claims
- Cargo claims
- Charterparty claims
- Shipbuilding/repair claims

Our clients include P&I Clubs, H&M underwriters, other insurers, shipowners, charterers, shipyards, brokers, ship managers, ship agents, freight forwarders, various cargo interests and major players in the oil & gas industry. We also act as correspondents for members of the International Group of P&I Clubs, notably SKULD P&I.

At Rahayu Partnership, we understand the legal framework governing **MARINE INSURANCE**, which includes international conventions, national laws and contractual agreements, as well as the importance of compliance and protection in areas such as hull insurance, cargo insurance and Protection & Indemnity (P&I) insurance. We provide expert advice by interpreting insurance policies, resolving disputes, and ensuring that claims adhere to policy terms and applicable laws. This approach ensures the proper management of maritime risks, promotes stability, and supports the continued operations of maritime businesses.

DISPUTE RESOLUTION

Our Dispute Resolution team has experience and expertise across the full range of dispute resolution services available, including litigation, arbitration, and mediation. We handle cases of any size, scope and complexity including cross border and multi-jurisdiction disputes through our global network. Where legal proceedings are not the answer, we are quick to provide our clients with practical and effective alternative solutions to achieve a commercial result.

We have advised and acted in a wide spectrum of disputes including cases relating to:

- Insurance
- Commercial Contracts
- Construction
- Companies, Directors and Shareholders
- Bankruptcy and Insolvency
- Employment
- Defamation
- Fraud / Negligence

We are particularly known for our expertise in maritime and admiralty disputes and in the shipping and trade sectors. We have acted in many recent high-profile insolvency matters involving ship owners, bunker traders and commodities traders. We also advise and act in restructuring and insolvency situations from both the creditor's and debtor's side in distress situations, as well as in voluntary / commercial restructuring for corporate groups.

CORPORATE & COMMERCIAL

Rahayu Partnership is your strategic partner in navigating the complex landscape of corporate finance, debt and equity, capital markets, mergers and acquisitions (M&A), private equity and funds, joint ventures, intellectual property, corporate governance, and commercial contracts. Our Corporate practice is not just about legal expertise; it is about understanding your business and crafting tailored solutions that meet your needs.

Our proficiency shines in advising government entities, public and private corporations, investment and commercial banks, non-bank financial institutions, private equity firms, and private high net worth individuals.

Our experience in practice areas extends across the following sectors:

- Maritime & Logistics
- Energy & Infrastructure
- Natural resources
- Oil & Gas
- Real estate & Construction
- Telecommunications
- Livestock & Agricultural
- Healthcare & Pharmaceuticals
- Hospitality & Tourism

Also as proud members of the MSI Global Alliance (MSI), we are not just connected; we are plugged into a global network of expertise, ensuring that we bring the best solutions to the table.

CONVEYANCING & REAL ESTATE

Our Conveyancing and Real Estate team offers a comprehensive range of services to handle all aspects of real estate transactions. We specialize in drafting, negotiating, and advising on Option and Sale and Purchase Agreements for both residential and commercial properties.

Our expertise extends to:

- Rental agreements
- Property acquisitions
- Perfection of Transfer (POT) and Perfection of Charge (POC)
- Mortgages
- Loan restructuring for commercial and residential properties
- Privatization projects
- En-bloc sales and purchases
- Refinancing

Our team of seasoned professionals brings a wealth of experience and deep knowledge of the Malaysian property market to each transaction. Whether you are a first-time homebuyer, a seasoned investor, or a large corporation, we are dedicated to guiding you through every step of the process. Our proactive approach and attention to detail provide our clients with peace of mind and confidence in their real estate dealings.

CORPORATE SECRETARIAL SERVICE

Our proficient Corporate Secretarial team is adept at ensuring compliance with the Malaysian Companies Act, Labuan Companies Act, Companies Commission of Malaysia (CCM) and Labuan Offshore Services Authority (LFSA) regulations. This capability is further reinforced by the specialized knowledge of our lawyers from the Corporate & Commercial and Regulatory & Compliance Practices.

Our firm is committed to delivering comprehensive onshore corporate secretarial services through our strategic partnership with MYHOUSE CORPORATE SERVICES SDN BHD. In addition, we extend our expertise to offshore corporate secretarial services in collaboration with RP TRUST INC.

We proudly serve a diverse clientele, including foreign-owned entities, private, exempt private, and public companies operating in sectors such as shipping, tourism, employment agencies, construction, healthcare and pharmaceuticals, logistics, engineering, investment holding, and oil & gas.

Furthermore, we provide indispensable support to new companies, facilitating the acquisition of business premise licenses from local authorities and assisting with employer registration with institutions such as the Social Security Organisation (SOC SO), Employees Provident Fund (EPF), and other relevant agencies.

NOTARISATION AND LEGALISATION SERVICE

Led by a licensed Notary Public, **Rahayu Abd Ghani**, our firm offers notarisation and document legalisation services. We ensure the authentication and validity of various documents, catering to both domestic and international needs. Our services include verifying signatures, administering oaths, and certifying copies, all while adhering to the required standards and regulations.

In addition, our expertise extends to facilitating document legalisation for cross-border use. We work closely with embassies, consulates, and the Ministry of Foreign Affairs to ensure that all processes are handled efficiently and effectively. This collaboration helps streamline the legalisation process, making it easier for our clients to have their documents recognized and accepted in foreign jurisdictions.

REGULATORY & COMPLIANCE

Our Regulatory and Compliance practice provides comprehensive legal support to navigate and comply with the myriad of regulations and standards imposed by Malaysian authorities. We offer expert guidance to local and international clients on various compliance matters, ensuring their operations meet all legal requirements.

Our range of services includes:

- Application for licenses, permits and approvals from the relevant authorities
- Preparing/reviewing of policies, guidelines & corporate structures
- Providing advisory work
- Due diligence on compliance issues
- Engaging with the relevant authorities
- Identifying legal risk assessments

TECHNOLOGY, MULTIMEDIA, AND TELECOMMUNICATION (TMT)

Our firm offers legal services tailored to the Technology, Multimedia, and Telecommunication (TMT) sectors. Our extensive experience in this sector includes advising a pioneering advertising agency and a multinational conglomerate operating in the areas of photography, medical electronics, and biotechnology on complex regulatory and compliance matters. We have also been instrumental in drafting, reviewing, and negotiating various IT agreements, including software development contracts, service level agreements, and licensing arrangements. By providing meticulous attention to detail and strategic insight, we ensure that our clients' contractual needs are met with precision and foresight, enabling them to navigate the dynamic TMT landscape with confidence.

PRIVATE CLIENTS

Our Private Clients Practice particularly focusing on wealth management planning and estate administration is set up and headed by **Datin Azlin Nordinar**. She is an advisor who has been actively involved in inheritance and succession planning for the past 15 years. She is a dual qualified civil advocate and solicitor of the high court of Malaya, and a syariah practicing advocate in the Federal Territories of Malaysia. We counsel and advise banks, trust companies, wealth planners and individuals on asset protection and preservation, including business succession planning and the formation of trust (private, charitable and non-charitable).

It is also our core practice to assist administrators or executors, whichever is applicable for the issuance of the Grant of Letters of Representative for Muslim and non Muslim families and its distribution to the rightful beneficiaries and legal heirs accordingly.
